

ADDENDUM N° 1

TENDER REFERENCE: 097/G/ICB/2022/2023/RMS LTD

TENDER TITLE: SUPPLY OF SIMULATION EQUIPMENT

The Rwanda Medical Supply Limited would like to notify the concerned manufacturers/suppliers the following amendments regarding the aforementioned tender.

1. Additional on INCOTERM

Indeed, the INCOTERM for foreign supplier is CIP therefore should consider quoting in CIP disregarding the format price schedule shown in the tender document published, as for local suppliers it will remain DDP and should use the price schedule format shown in the tender document.

2. Items not found in lots but with specifications.

The following items with specification but not found in any of the lots should be disregarded.

- Bed pan on p. 62
- Nursing trolley on p. 73
- Wheelchair on p. 74
- Infant weighing scale on p. 75
- Glucometer with sticks on p. 87

3. Items in lots with no specifications

The following are items with no specifications but found in the lots should be disregarded.

- Lot 1 Item 4 Body squalor model
- Lot 1 Item 10 Kidney Basin
- Lot 2 Item 7 Serving forceps
- Lot 3 Item 7 Normal saline/Ringer L

4. Pictures on specifications.

Please note the pictures inserted in the specification are not the exact item we need, they are to help you with more clarification on the specification given. You advise to quotate according to the specifications not the pictures

5. Body Anatomic simulator/low fidelity

Kigali , .../.../05...../2023

Chief Executive Officer's Office

Regarding the naming difference on Item 3 Lot 1 with its respective specification; as the specification clarifies it the item is Body Anatomic Simulator/low fidelity.

6. Extension

Due to these clarifications given as required, the opening of this tender is extended to 13/06/2023.

Sincerely,

Pie HARERIMANA
Chief Executive Officer
